## Tournament Structure

**Teams:** Each team consists of 2 players.

**Match Format:** Matches are played over 9 holes.

**Time Limit:** Each match has a maximum duration of 1.5 hours.

In this format, two teams of two players each compete following Match Play and Scramble rules. Both players on a team participate in every shot, starting with both hitting from the tee. The team then selects the best shot and continues by playing their next shots from that location. This process repeats until they successfully hole out.

**Finals:** Best 4 Teams Advance
